

School Supply Drive

CTK is partnering with ***Desire Thy Portion*** to deliver school supplies to the ***John Lewis Invictus Academy***. This Atlanta public school serves roughly 900 middle school students, 100% of whom qualify for free/reduced lunch. The devoted faculty and staff are committed to providing quality, engaging and differentiated lessons for their students, but funding for supplies is always a challenge. This is our second year partnering with DTP and JLIA.

Why serve this school? As Darlene Adair, founder of *Desire Thy Portion*, explains: "It is our desire that the JLIA students all come to know and believe that in spite of the obstacles they face, they are loved and can be all that God intends for them to be. We want them to know there are more people *for* them than against them. We are being proactive by planting seeds of Hope and Love through our giving while they are young. We also want the hard working teachers to know that we thank them for giving of themselves to make sure *all* of our children succeed no matter where they live or what they lack financially." What a privilege to be part of this beautiful work of reconciliation!

Please bring your donation items to church any Sunday through August 7th. Our Potluck Sunday will be the final collection day so we can deliver supplies during the first week of school. If you have any questions or need to make alternate arrangements to drop off supplies, please contact Kelly Clark at kclark@ctkbraselton.org. **Thank you!**
